

From Sur Airport you take the TF1 direction San Miguel

After a short time, take the first exit on the highway (62) direction Los Abrigos.

Drive through two roundabouts in the direction of Los Abrigos.

In the second roundabout take the exit direction Los Abrigos, Las Galletas and follow the TF65.

After a short time take the right exit towards Golf del Sur, Amarilla Golf.

There is also a roundabout, where you take the second exit to Golf del Sur, Amarilla Golf.

Stay on Av. J.M. Galván Bello for a longer time until the road splits. After Golf del Sur turn right and follow C. Retama.

At the end of the road, turn left in the direction of the harbour and follow C. de María de los Ángeles Ascanio Cullen.

At the roundabout take the first exit towards Fairways Club.

After a short while you drive past the 19th hole (golf bar on the left).

After the white building - Amarilla Golf Villas - on the corner after the bar you turn left into C. Tarajal, the final street.

Follow C. Tarajal for some time in the direction of the sea. Down at the sea, the street bends to the right. Now keep an eye on the numbers, you are close...

When you reach the house with the number 633, look for a parking place. If there is none in front, just circle and park before you reach no. 633. Or you can park near the bins in the opposite street turning right.

633 is above our holiday apartment directly on the street. The holiday apartment has the number 630 and is located directly on the promenade by the sea. The path to the right of 633 leads down the stairs to 630.

There is an accessible access further away (in the bend of C. Tarajal). If you prefer this access, you can go down to the promenade and enter the apartment from the sea side.
